

Time & date change instructions for: AcroPrint 3300N

a. Open the lid, the LCD displays P1.

b. Press F3 button.

c. Press the + or - button to change the card type and press the "E" button. If it is not necessary to change the type, press the "E" button.

d. Press the + or - button to change the minute indication and press the "E" button. If it is not necessary to change it, press the "E" button.

e. Press the + or - button to change the day of the week indication and press the "E" button. If it is not necessary to change it, press the "E" button.

f. The LCD goes off, the setting is completed. Close the lid. If required, other settings can be performed before closing the lid.

(4) Setting summer time

To set or delete summer time, 2 groups must be set simultaneously. Set group 1 to start summer time, group 2 to end summer time. The starting and ending time may be set to any "HOUR" between 0 AM and 9 AM.

Example:
Starting date and time: April 1, 02:00
Ending date and time: October 1, 02:00

a. Open the lid, the LCD displays P1.

b. Press F4 button.

c. Press the + or - button to change the hour to 2 and press the "E" button. If it is not necessary to change it, press the "E" button.
